Traveling Tonkatsu.

Just like traveling across Japan, we invite you to savor Tonkatsu from various regions all over the country.

Japan is rich in enchanting natural landscapes and cultural landmarks like shrines and temples, scattered throughout the nation. Similarly, there are dedicated pig farmers raising charming, high-quality pork breeds in different regions of Japan. At “tonkatsu.jp Omotesando” we take these exceptional brand porks and transform them into a dish called 'tonkatsu,' which we proudly present for your enjoyment.

Tonkatsu is a deep-fried dish where pork is coated in breadcrumbs and fried in ample oil. Although it is fried, when you consider the pork itself, it can be viewed as a 'steamed dish' wrapped in its own coating. This steaming process results in meat that is succulent and bursting with flavorful juices, creating tender and incredibly delicious pork.

We offer a wide selection of brand porks from all over Japan. While cherishing the dedication of the farmers, please also relish the excitement of choosing which breed to indulge in. Moreover, if you are a group of two or more, we can provide sharing options, so please feel free to inform our staff.

Please indulge yourself in the splendid pork raised by Japan's pig farmers and savor the utmost deliciousness of tonkatsu to your heart's content.

Recommended Pork Breeds

DOROBUTA [Hokkaido]

Dorobuta pigs wake up, eat, take naps, play, and sleep, all according to their own will. They live a stress-free life. Farmer Hirabayashi doesn't aim to create delicious pork in a paradoxical way. Instead, he raises happy pigs with the hope that they will naturally become delicious. The meat is rich in both lean and fatty parts, and has a tender texture.

MAGI KUROBUTA [Shizuoka Mt.Fuji area]

Farmer Kaneko is very dedicated to raising pigs. He examines the values of oleic acid and linoleic acid in the meat he ships, and constantly works on improving his breeding methods to enhance those values. The result is pork "Amagi Kurobuta" with melt-in-your-mouth fat and rich-flavored lean meat. Please enjoy this exquisite pork.

SADDLE BACK [Kagoshima]

Fukudome Small Farm chose the name "Small" because they want to raise pigs within a range where they can personally oversee their well-being. Saddle Back has sweet fat, flavorful lean meat, and a juicy texture that is light and fluffy. It's like the top-performing student among pork.

WATANABE BERKSHIRE [Kagoshima]

Berkshire, bred by Mr. Watanabe, the leading figure in Japanese black pork, is a pure breed and considered the origin and pinnacle of Kagoshima black pork. It has a rich flavor and juicy lean meat. Not only is it tender, but its meaty texture allows you to truly experience the deliciousness of authentic pork.
