Traveling Tonkatsu.

Just like traveling across Japan, we invite you to savor Tonkatsu from various regions all over the country.

Japan is rich in enchanting natural landscapes and cultural landmarks like shrines and temples, scattered throughout the nation. Similarly, there are dedicated pig farmers raising charming, high-quality pork breeds in different regions of Japan. At "tonkatsu.jp Omotesando" we take these exceptional brand porks and transform them into a dish called 'tonkatsu,' which we proudly present for your enjoyment.

Tonkatsu is a deep-fried dish where pork is coated in breadcrumbs and fried in ample oil. Although it is fried, when you consider the pork itself, it can be viewed as a 'steamed dish' wrapped in its own coating. This steaming process results in meat that is succulent and bursting with flavorful juices, creating tender and incredibly delicious pork.

We offer a wide selection of brand porks from all over Japan. While cherishing the dedication of the farmers, please also relish the excitement of choosing which breed to indulge in. Moreover, if you are a group of two or more, we can provide sharing options, so please feel free to inform our staff.

Please indulge yourself in the splendid pork raised by Japan's pig farmers and savor the utmost deliciousness of tonkatsu to your heart's content.
